EXOTIC COLLECTION

The dynamic colours and patterns of our Exotic Collection create a luxurious and regal atmosphere, perfect for the most discerning clientele.

LACUS BQ6803

Inspired by the intense contrasts and dynamic shifts of a tempestuous sky, Lacus captures the raw, elemental power of nature. Its striking patterns and deep hues bring the energy and majesty of stormy skies into your space.

NEW

NUVOLATO BQ6880

Nuvolato captures the ethereal beauty of drifting through a cloud-strewn sky. Replicating the flowing texture of clouds, Nuvolato features a soft white and grey background, with elegant beige and grey veining, evoking a light and weightless feeling.

NEW

NEW

ADAMELLO BQ6881

Replicating the vast horizons and sweeping views of high-altitude adventures, this surface captures a sense of limitless freedom and grandeur. Featuring iridescent clouds, it showcases a spectrum of colours that create striking contrasts while highlighting the quartzite's layered depth.

NEW

ESMERALDA BQ6882

Inspired by the soft, billowy mists that drape over mountain ridges, this surface brings a serene and mysterious allure of coastal fog into your space. Featuring distinctive jade green tones interwoven with grey and silver veining, Esmeralda is inspired by the ethereal beauty of mist-covered landscapes.

COSTA NOVA BQ6702

Recreating Brazil's Taj Mahal quartzite, Vicostone's Costa Nova captures the serene ambiance of a sandy beach with its soft white foundation and delicate warm veins. It provides an excellent way to elevate interior spaces with an appealing aesthetic touch.

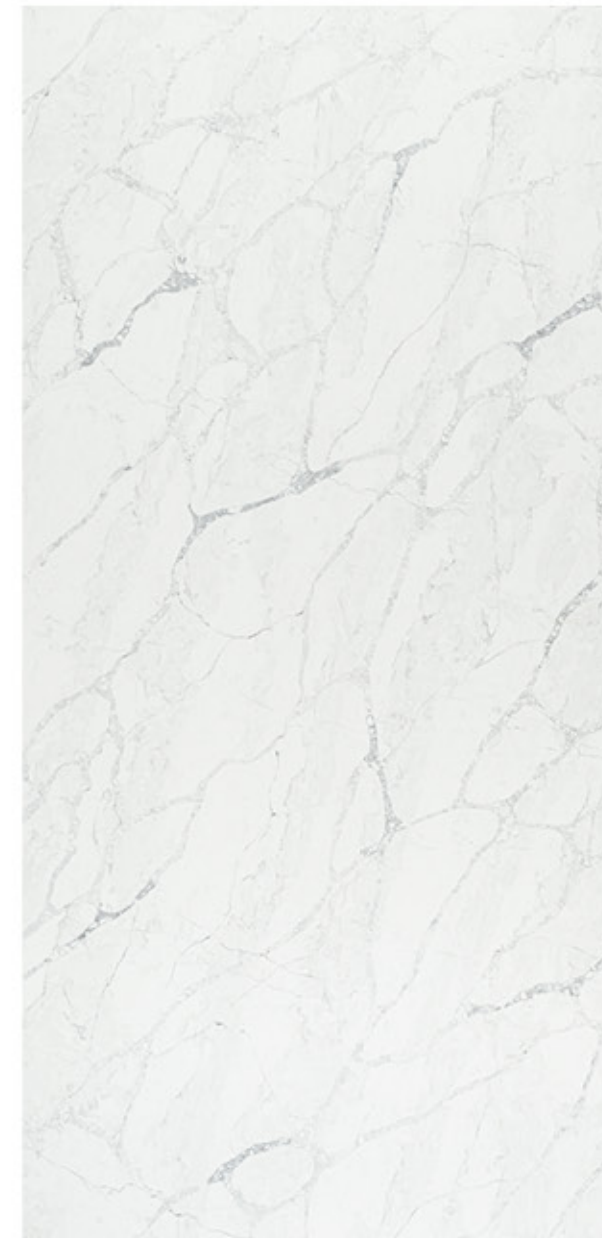

TYROL
BQ6705

TYROL
BQ6705

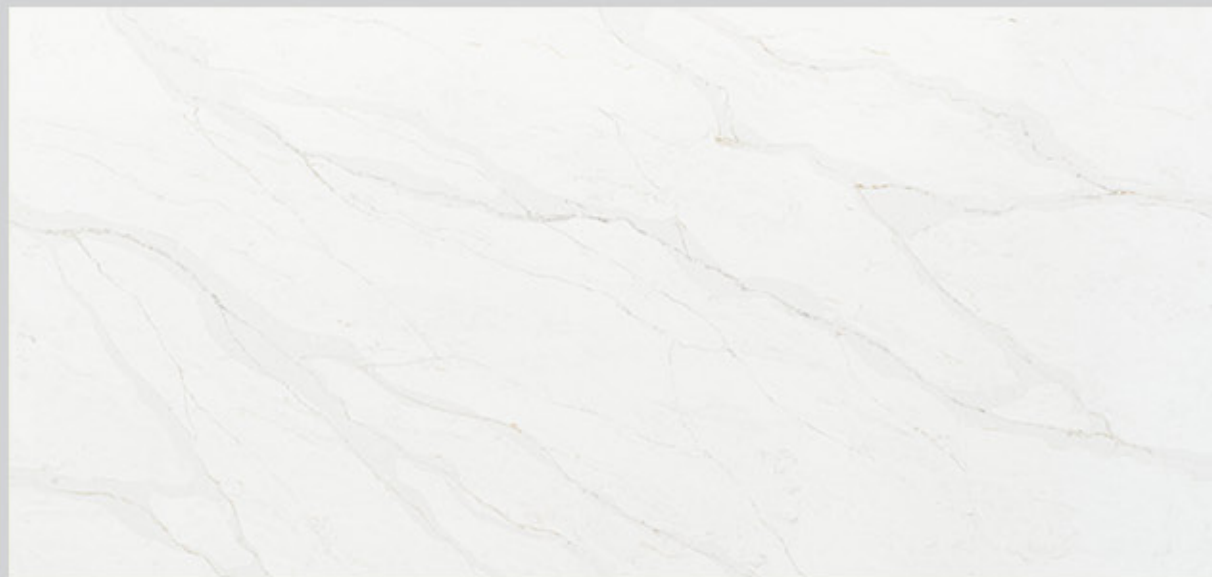

GREY MONET (Honed)
BQ6800

MARMORIS BQ6801

Marmoris features subtle golden-grey veins that enhance its overall warmth and infuse a trendy and unique character into the product.

IS YOUR TOP CHOICE

Showroom Toronto

Global Capacity

Powered by six cutting-edge Italian Breton production lines, Vicostone stands as a global leader, recognized among the largest suppliers of engineered stone countertops worldwide.

Top Quality

Vicostone offers premium quality and the most durable engineered stone on the market. Our slabs outperform other suppliers in terms of glossiness, hardness, and density.

Distinctive Design

Vicostone offers designs that are both natural-looking and distinctive. We are setting industry benchmarks, inspiring and providing originality which set us aside, giving our clients more options and satisfaction.

Competitive Advantage

Our recent vertical integration of quartz and resin supply chain empowers us to control costs while maintaining stringent quality standards, allowing us to offer competitive pricing without compromising excellence in product outcomes.

Versatile Sizing Options

Vicostone provides Jumbo slabs, measuring 65" x 130", ensuring optimal material yield and seamless installation for large-scale projects. We also offer a cut half slab format for efficient material use, tailored to the specific needs of each project.

Nationwide Reach

With a nationwide network of warehouses and showrooms across Canada, Vicostone proudly serves our entire nation, solidifying consistency and reliability as a leading Canada wide company.

Highly Valued & Recognized Client Care

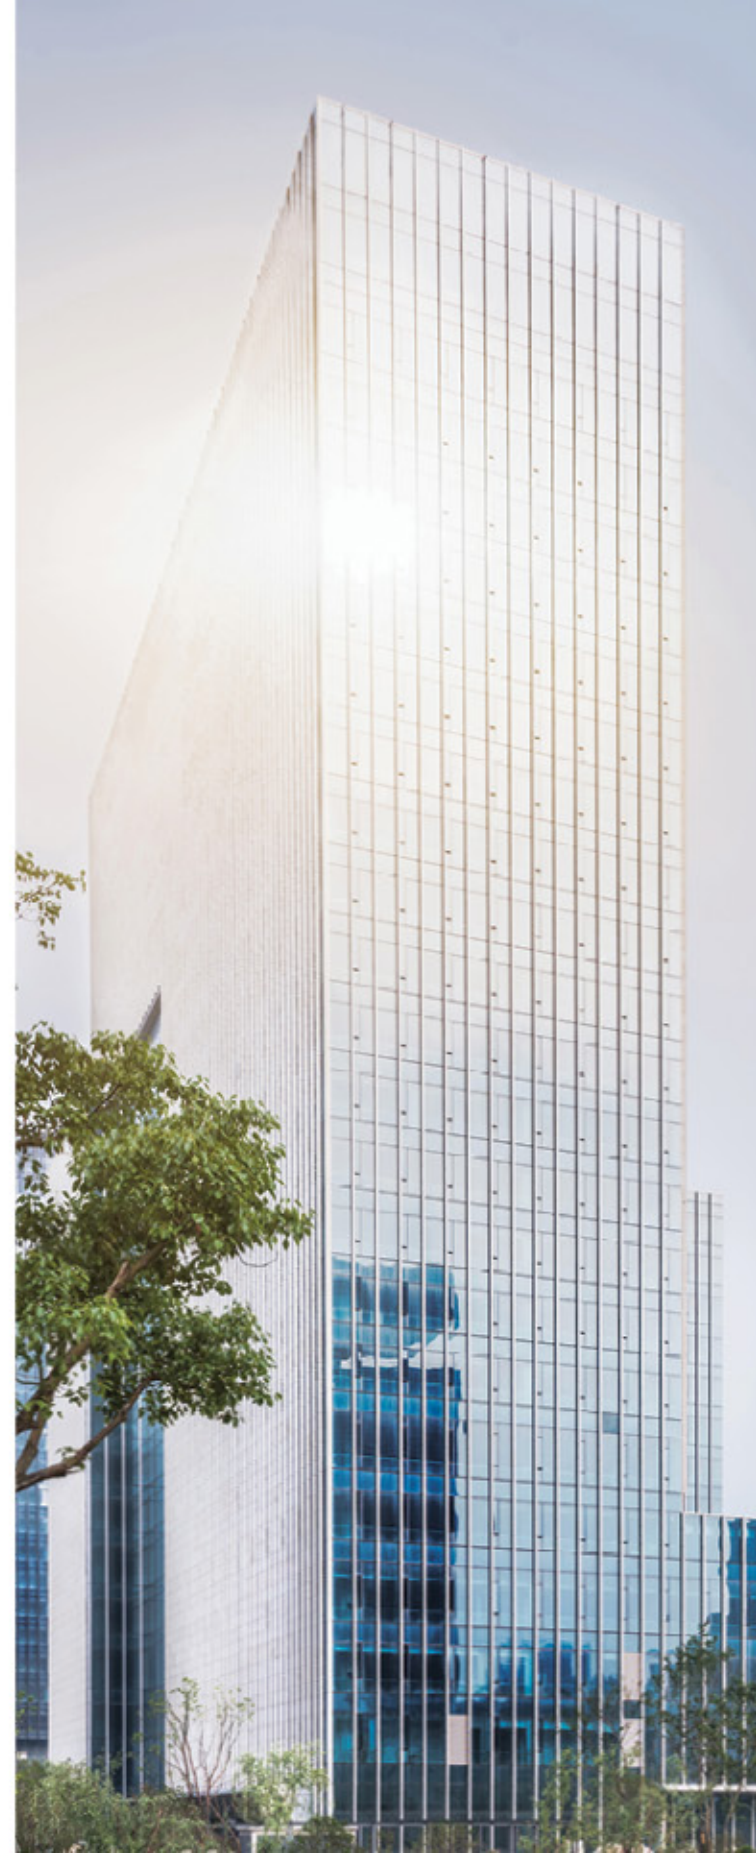

Our dedicated sales, client service and leadership teams are celebrated by our dealers for their commitment to excellence. They consistently provide exceptional support and outstanding service, making a positive impact in the market.

MULTI-UNIT PROJECTS

Vicostone is the trusted choice of leading design firms in Canada when it comes to selecting kitchen countertops, island tops, and vanity tops for multi-unit projects. Here's why Vicostone stands out as the ultimate surface option for such endeavors:

- 01** Large inventories and a nationwide distribution center ensure peace of mind regarding lead times and stock availability.
- 02** Competitive pricing options range from classic designs to marble looks and high-end selections, accommodating various project owner budgets.
- 03** Our brand reputation and commitment to premium quality enhance the overall value of your projects.

PRODUCT INFORMATION

	FULL SLAB	HALF SLAB
NORMAL SIZE	56" x 120"	27.5" x 120"
JUMBO SIZE	65" x 130"	32" x 130"

Half slabs are available in all designs and thicknesses, except for special order colours.

SURFACE FINISHES: Polished and Honed

THICKNESS	NORMAL SLAB WEIGHT	JUMBO SLAB WEIGHT	LBS/FT ²
2 cm (3/4")	478 lbs	601 lbs	10.24 lbs/ft2
3 cm (1 1/4")	717 lbs	901 lbs	15.36 lbs/ft2

Weight may vary between different designs.

TECHNICAL SPECIFICATIONS

SPECIFICATIONS	TEST METHOD	RESULTS
Water Absorption	ASTM C97 / C97M-18	≤ 0.02 %
	BS EN 14617-1:2005	≤ 0.02 %
Apparent Density	ASTM C97 / C97M-18	2.1 – 2.3 g/cm³
	BS EN 14617-1:2005	2.1 – 2.3 g/cm³
Flexural Strength	ASTM C880/C880M-18	Fine and medium grain: ≥ 55 MPa Coarse grain: ≥ 41 MPa
	BS EN 14617-2:2016	Fine and medium grain: > 60 MPa Coarse grain: > 40 MPa
Compressive Strength	ASTM C170/C170M-17	Dry: ≥ 200 MPa
	BS EN 14617-15:2005	Dry: ≥ 185 MPa
Chemical Resistance	ASTM C650-04:2014	Unaffected
	BS EN 14617-10:2012	Class C4
Dimension Stability	EN 14617-12:2012	Class A
Impact Resistance	ASTM C1870-18	36-inch ball drop: ≤ 0.25 in 48-inch ball drop: ≤ 0.27 in
	BS EN 14617-9:2005	> 4 J
Abrasion Resistance	ASTM C501-84:2015	Abrasive Wear Index: I _a ≥ 179
	BS EN 14617-4:2012	Volume of chord: V ≤ 165 mm³ Chord length: l ≤ 27 mm
Thermal Shock Resistance	ASTM C484-99:2014	No visible damage after 10 cycles
	EN 14617-6:2012	No Visible defects after 20 cycles Change in mass: ≤ 0.06% Change in flexural strength: - 8.4% + 5.4%
Freeze-thaw Resistance	ASTM C1026-13:2018	No visible damage after 300 cycles Wt Loss: ≤ 0.09%
	EN 14617-5:2012	No obvious damage after 20 cycles K _{100%} = 93 + 105%
Mohs's Scratch Hardness	EN 101: 1991	≥ 6
	DIN 51130:2014	R9 at Honed 400
Slip Resistance	ASTM C1028-07	Static coefficient of friction - Dry: 0.7 + 0.8 (Polished/Honed finish) - Wet: 0.5 + 0.7 (Polished/Honed finish)
Microbial Resistance	ASTM D6329-98	Ranking 3: Resistant to Mold Growth
Stain Resistance	ASTM C 1378-04:2014	Class A (Polished finish)
Surface Burning	ASTM E84	Class A

DISCLAIMER

Shade and graining of actual product may vary from printed sample. We recommend ordering a sample or viewing a full slab at a retail location, showroom or design center.
